The above information is accurate and true to the best of my knowledge. I understand that the massage therapist does not diagnose illness or disease, does not prescribe medications, and does not perform spinal manipulations. I understand that massage therapy is not a substitute for medical examination, diagnosis, and treatment, and that it is recommended that I see my primary health care provider for any condition I might have. I will inform my massage therapist of any changes in my health, or of any conditions that may be a contraindication to massage at each appointment. The benefits of massage and possible contraindications for massage have been explained to me. I have received a copy of the Tempo Therapeutic Massage, LLC *Services and Policies* brochure and I understand them and agree to abide by them. I consent to receive massage therapy from Tracy S. Kaufman, Licensed Massage Therapist and Managing Member of Tempo Therapeutic Massage, LLC.
